- Dual-scan STN pen model with swivel-down screen
- 4MB RAM, expandable to 20MB
- 170MB, 340MB or 540MB removable hard-disk drive models

- VESA local-bus graphics, 1MB DRAM
- TrackPoint II pointing device
- PCMCIA; PC Card Director
- NiMH battery; 3.5-8.0 hours TFT; 3.0-8.0 hours STN; 4.6-10 hours mono
- 6.1-6.8 lbs.
- Preloaded software (model-dependent)
- One-year warranty<sup>3</sup> with International Warranty Service, ThinkPad EasyServ<sup>4</sup>

## ThinkPad 500/510Cs Notebooks

**Small and lightweight—under four pounds—the monochrome ThinkPad 500 and dual-scan color ThinkPad 510Cs sub-notebooks offer superior portability without sacrificing power or performance.**

- IBM 486SLC2 (510) or 486BL2 (510Cs), 50MHz
- STN monochrome or STN color with local-bus graphics
- 4MB/12MB (500); 4MB/20MB (510Cs)
- 85MB (500 only) or 170MB hard-disk drive models
- External 3.5" 1.44MB floppy-disk drive standard

Fax document #1782 (500); #1391 (510)

- TrackPoint II
- PCMCIA: One Type I or II
- NiMH battery; 3.5-9 hours
- 10.1" x 7.2" x 1.6"
- 3.4-3.9 lbs.
- Preloaded software
- One-year warranty<sup>3</sup> with International Warranty Service, ThinkPad EasyServ<sup>4</sup>

## ThinkPad 730T Notebook

**Powerful, lightweight and rugged, this pen-based tablet computer is the ideal solution for "walk-around" mobile workers. Replace clipboards, pen and paper with automated data capture.**

- Intel486SX 33MHz
- 9.5" (actual viewable diagonal screen size) pen-enabled STN monochrome
- 4MB/20MB or 8MB/24MB
- 105MB PCMCIA hard-disk storage
- PCMCIA: Two Type III
- External 3.5" 1.44MB floppy-disk drive optional

Fax document #3080

- Untethered electromagnetic pen (no battery)
- Bus expansion port
- Two NiMH batteries; 4.0-10 hours
- 10.6" x 8.3" x 1.37"; 3.5-3.9 lbs.
- PenDOS<sup>®</sup>, Windows for Pen Computing<sup>®</sup> or Pen for OS/2<sup>®</sup>
- Three-year warranty<sup>3</sup> with International Warranty Service, ThinkPad EasyServ<sup>4</sup>

## ThinkPad Docking Solutions

**Four optional expansion solutions make it easy to use ThinkPad notebooks for desktop replacement, with just the right combination of function and price.**

- ThinkPad Dock II
  - Two slots and two bays
  - PCMCIA
  - Full set of ports with SCSI II
  - Stereo speakers
  - Fail-safe "hot"/"warm" docking

Fax document #1392

- ThinkPad Dock I
  - Portable docking; 6 lbs.
  - Multimedia-capable
  - One slot, one bay
  - Full set of ports with SCSI I
  - Stereo speakers
- Port Replicators Models I and II
  - With or without PCMCIA

## ThinkPad Notebook Options

**IBM offers a wide range of options and accessories that let you add new function to your ThinkPad notebook.**

- Upgrades
- Connectivity/communications
- Memory
- PCMCIA cards

Fax document #1620

- Multimedia solutions
- Traveling Executive Solutions
- Carrying cases

<sup>1</sup>MB means million bytes when referring to hard-disk capacity. Actual total user capacity may vary, depending on operating environment.

<sup>2</sup>Measured with CD-ROM drive inactive. CD-ROM drive usage may substantially reduce battery life. For example, 20 percent CD-ROM usage may reduce battery life up to 33 percent.

<sup>3</sup>Every ThinkPad notebook product is backed with a three-year or one-year warranty with International Warranty Service. Customers who travel or need to move products to another country can register the product(s) for IBM International Warranty Service available where IBM or IBM resellers sell and service IBM PC products. For information on IBM International Warranty Service in the United States and Canada, call 1-800-497-7426. For information regarding the terms and conditions of IBM's limited warranty and money-back guarantee, please call 1-800-772-2227. In Canada, please call 1-800-465-7999. Copies of IBM's Statement of Limited Warranty and money-back guarantee are available upon request.

<sup>4</sup>At no additional charge, ThinkPad notebook product owners receive ThinkPad EasyServ (available only in the United States and Canada). It provides for a courier to pick up your machine at your location, deliver it directly to an IBM facility and return the repaired unit to you, with no shipping charge. (Terms and conditions may vary in Canada. For information, call 1-800-465-7999.) Or, for a small fee, it is possible to purchase onsite warranty service that provides four-hour average, same-day response on all service requests.

This equipment is subject to FCC approval. It will comply with the appropriate FCC rules before final delivery to the buyer.
